

REMARKS

The Notice to File Missing Parts mailed October 2, 2003 required the Applicant to submit an Abstract of the technical disclosure. The original application, as filed on July 7, 2003, included an Abstract on the final page (page 14) of the text portion of the application. This current amendment provides a new Abstract that complies with the requirements of 37 C.F.R. 1.72(b). Substitution of the new Abstract to replace the old Abstract is respectfully requested.

The undersigned representative is available for telephone consultation during normal business hours.

Respectfully submitted,

Craig J. Loest
